You are where the Power Originates
Your Time & Attention
is the True Currency

Where you pay it receives your Power

Examples:

- Home
- Community
- Family & Friends
- Job
- Politics
- Celebs
- Media
- etc.

Ask yourself...
Have you "Complied & Worked" enough to "Earn & Living" today?

Spoiler Alert:

You actually earned your living the moment you drew your 1st Breath!

Invest in Each Other, Ourselves, Community, & Environment.

We Divest Our Power (Time & Attention) from the \$ and Current System &

...But where does \$ get it's Power & Value?

YOU!

~~\$~~ = No Freedom Basic Necessities
If you don't have money) NO Right to Life.

\$ = Freedom Basic Necessities
(If you have money) We NEED to Survive

Org a Deeper Level!

How Much of Our Power is Hoarded vs How Much Resources WE Have Access to?

- Top 1% of US Citizens control nearly 75% of the Nations wealth.
- Top 10% of US Citizens control 80% of the Nations wealth.
- The Bottom 50% of US Citizens control only 2.5% of the Nations wealth.
- The average person heard wealth of people in the "Top 1%" is more than a thousand times that of people in the 50%.

**Capitalism
Makes Slaves
of Us All**
We are forced to
labor if we want
freedoms...
or to even
just survive.

have hoarded the value of our labor and without the basic necessities we need to LIVE in order to keep us working and giving them MORE POWER.

THE RICH

They take our
blood, sweat, tears,
lives, passions,
and commodify them.

...and then sell them back to us.
\$\$\$\$\$

This is a game of Monopoly
that should have ended
a long time ago.

So
**What Are We
Going To Do
About It???**

We are where our Government
(and Corporations)
get the power to control us and
commit atrocities such as genocide, slavery,
and human trafficking...
of Us and many other Countries.

\$ used to be based
on Gold & Silver

Fiat Currency

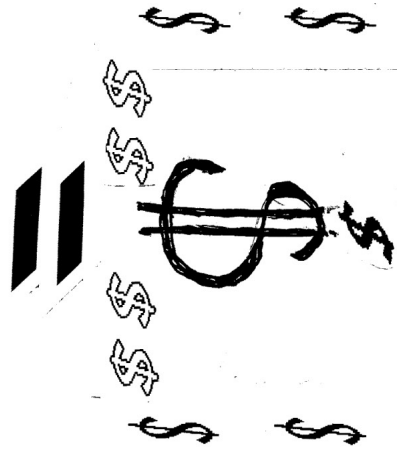

Now, it is a
Fiat currency is based on
our belief in our

Government,
and what we as laborers,
Borrowers, Working Class,
can provide in goods and
services over the course
of our lifetime for our
Country. We are traded
under "Agriculture" or the stock-
market to determine our
value of our \$.

Everything
We Need to Live
has a Price tag

On a Basic
Level:
\$ is what we all use to buy
food, pay our rent/mortgage,
pay for healthcare, childcare,
gas/transportation, phone,
access to the internet,
heating/cooling, electricity,
clothing, land, seeds, water,
purchase education, news
articles, and so much MORE

This Look Like:

When you trade your
labor for \$, you give it
your power and create
value for the \$.

When you use \$ for basic
necessities, it gets your
power over you through your
compliance and your
participation.

Note: Those who help
force more people
to "earn a living"
receive more \$

Power.

We are given
in exchange for
our compliance.
